Sophia Lucid invites academic research papers from teachers and researchers across universities, colleges and research institutes in India. The third issue (Volume III, Issue I) on "Sustainability, Environment and Climate Change", invites scholars to rethink the existing paradigms, perspectives and compendium of knowledge on this broad area, through the disciplines of humanities, social sciences and natural sciences. An interdisciplinary discussion of ideas and concerns is highly recommended. Moreover, paper submissions must be original, contemporary and relevant, in providing a quality contribution to the existing body of knowledge in any of the following sub-topics.

Sub themes
