

## **Association of Christian Students - *Where all are jubilant in the Lord!***

The ACS is one of the oldest sororities of Sophia College Mumbai. We are a non-denominational Christian club, running with the mission of providing a dynamic interactive space for Sophians. The club's flagship activities and events, such as spiritual retreats, camps, masses at Sophia's chapel, the annual Christmas Wishing programme and others, are eagerly awaited by ACS members and our college staff.

This academic year, with the agendas of *Service, Fellowship & Spiritual Growth*, we aim to promote attitudes of integrity, excellence, gratefulness and faith, through our activities and collaborations. Our institution & the ACS have been quick to adjust to the pandemic's new normal. Online initiatives like, weekly Fellowship Meets, seminars on hotly debated issues through biblical lenses, feast celebration masses, etc. have been receiving very positive and encouraging responses. We hope to facilitate and encourage students involvement in and service to the campus and community.
