Name of the Resource Organisation: Create Together Foundation
Number of Participants: 11
Number of Attendees: 80+

Our informative visit to a school with "CreateTogether Foundation" was in every way enlightening and unforgettable. As soon as our team reached the school we were welcomed by smiling faces filled with joy, so happy and excited to see us. We had organized all kinds of different activities for them. From informative sessions to fun activities. Like a small session on nutrition, sanitation and good touch and bad touch for the kids and a special session was kept for the parents on period education. Our team also conducted fun and sporty activities like zumba and relay races. Spending time with the kids was hands down the best part. Their energy, curiosity, and those infectious smiles totally made our day. We extended an invitation to them for our collegiate festival, Kaleidoscope and we will take with us not just fond memories, but also a recommitment to helping and enabling the generation that follows.
