

"Kaleidoscope is Sophia college's intercollegiate festival. It is also one of the biggest cultural festivals in Mumbai. We as a workforce build everything from scratch, learn life skills from working with our teams and most importantly make memories that we will cherish forever.

The workforce comprises of 20 teams, each playing an important role . The individual teams are made up of dedicated and hard-working students , from different courses and age groups. The work put in, by more than 400 people , is what brings our festival to life. Kaleidoscope is not just a festival, it's a feeling.

We want to welcome you to join us as Kaleidoscope goes Digital in this time of physical distancing to be part of a new venture that we want undertaking."
