Ethos

We, at Rotaract Club of Sophia College for Women provide a platform for the youth to engage in a number of different activities from planning to participation. The activities and opportunities at our club are in line with our vision for a better community. We believe that the foundation to a better community is change, unity and exposure. Through our different programs, we try to build a community that we want to live in, by the combined efforts of our fabulous team.

Theme of the Year

The Rotaract Club of Sophia College for Women launches a new theme every year which is in line with our philosophy and helps us in boosting the functions of the club. The theme for the year 2020-2021 is "Together towards Tomorrow". The theme was launched as a motto to prepare and motivate our team to be ready in the face of challenges. The year 2020 has been a year of challenges and those challenges need to be overcome by effective team work because a club is nothing without its team members. The theme motivated us towards success and growth.
