

# **Sophia College (Autonomous), Mumbai.**

## **Minutes of I<sup>st</sup> BOS meeting**

### **Department of Physics**

**Date:** 22<sup>nd</sup> September, 2018

**Venue:** Room No. 34, Sophia College (Autonomous), Mumbai.

**List of BOS Members attended the meeting.**

<b>Name</b>	<b>Designation</b>
Dr. Meeta Saxena	Head, Physics Department
Dr. Pushpinder Bhattia	University Representative
Prof. Nathani Baswaiah	Subject Expert (outside Parent University)
Dr. Pranesh Sen Gupta	Industry Professional
Dr. P.M. Dongre	Senior Teacher (other member of faculty)
Dr. H.S. Kalsi	Senior Teacher (other member of faculty)
Ms. Iqra Khatri	Postgraduate meritorious alumnus

1. Meeting started with the welcome and introduction of BOS members. Principal welcomed the BOS members and briefed them about the Autonomy status attained by the college.

Chairperson shared the physics syllabus of FY BSc with BOS members.

2. It was decided that the syllabus of Semester I will remain the same for the current academic year 2018 – 2019, as the academic year has already started. Subsequently the board will meet in February, 2019 again to review and revise Semester I curriculum.

Members have suggested some changes and the syllabus for Semester II was finalized.

3. Question paper pattern for Semester End Examination (Theory as well as practical) was discussed. BOS members suggested to include projects, visit & report writing on visit, self-study, science around us etc. instead of Internal Assessment Test so that the interest of the student in subject develops further.
4. It was unanimously agreed by all that extension to second year level from the next Academic year 2019 – 2020 is imperative.

Vertical growth options must be given to students. The Management and Academic Council must take steps to introduce the next level in the course.

5. It was suggested to check on the feasibility of Online Certificate Courses.

The meeting concluded with a vote of thanks to members present by the chairperson.

Dr. Meeta Saxena

Chairperson of BOS

Department of Physics

Sophia College (Autonomous)

Mumbai.
