The applicant must come personally for the interview along with her parents or local guardian. (A local guardian is an essential requirement for admission to the College Hostel).

The decision regarding admission to the Hostel is taken by a panel and the results will be put on the notice board and the website shortly after the interviews are held and the list of admitted can also be checked by calling the College Telephone Operator.

Date of the interviews will be updated on the College website.

Shortlisted applicants will be called for an interview in the first week of May 2022.
