### 3. Special pedagogical tools used, other than the lecture method

Dr. Sunita Jadhav

- An experiential Learning method was used to cover the topics on Karl Marx for the TYBA Economics Course Code SBAECO506, titled History of Economic Thought . The class visited the Prithvi Theatre, Juhu to watch one-act play “Karl Marx in Kalbadevi” on 9th August 2022. This was followed by the discussion in the classroom on this topic. Students also generated a question bank for the topic “Karl Marx”. The concerned teacher then administered the Internal Assessment Test based on the question bank prepared by students.

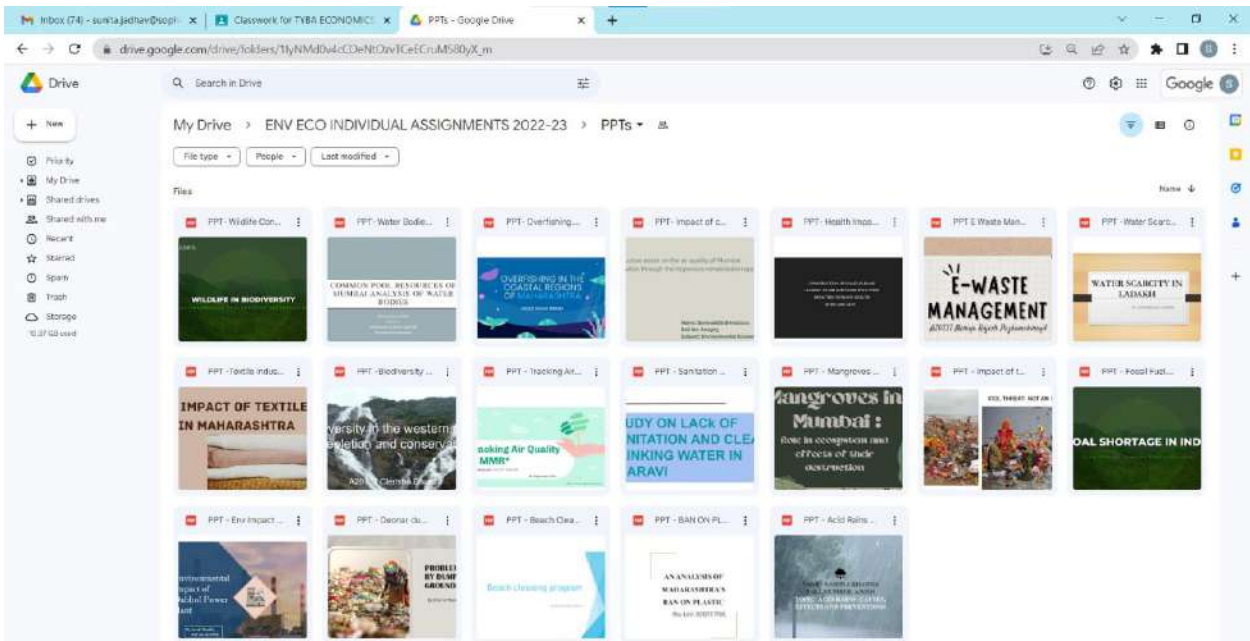

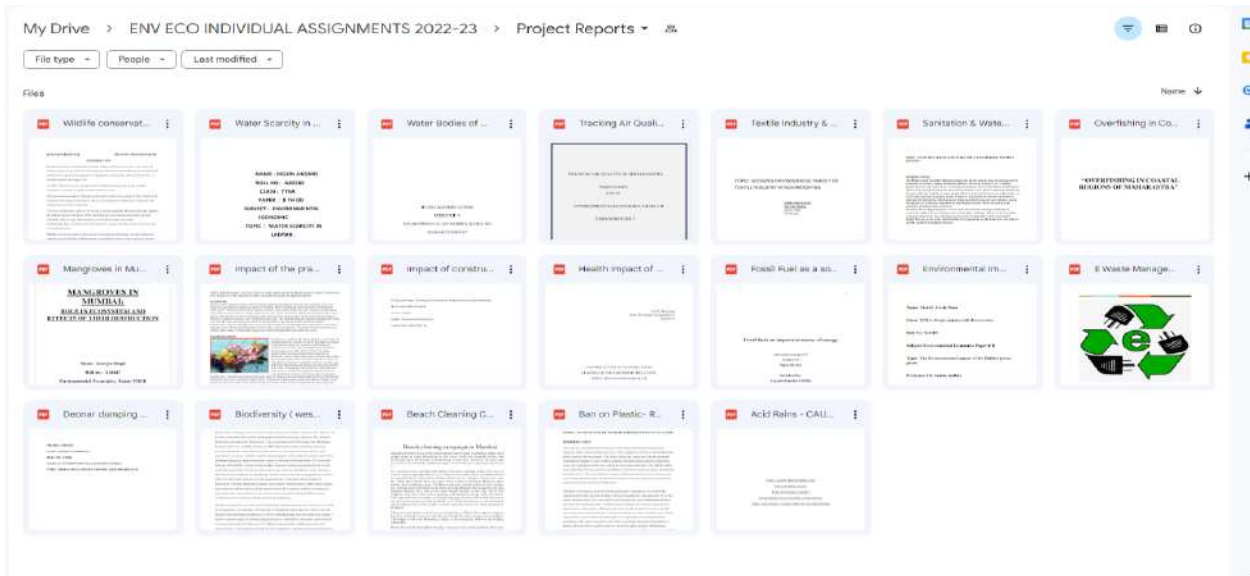

2. The Project-based Learning method was used to cover the topic “the local environmental challenges” for the TYBA Economics Course Code SBAECO505 (B) titled “Environmental Economics”. Students carried out their research during the semester on “the environmental challenges of Mumbai” and submitted a project report at the end of the semester.
