The NSS Unit of Sophia College, is extremely delighted to inform you that we have been recognised for our efforts towards collection of blood units at blood donation camps in railway stations.

For the same, we were felicitated by the NSS Cell of University of Mumbai on 25th July, 2023. The program coordinator, Dr. Vaishali Pachunde, along with 3 volunteers were present in the University.

We are further motivated to organise more blood donation camps and collect large units of blood and continue to excel.
