B.Sc.I.T Department Presents

I-TECHNOTHON' 23

reboot.reload.restart

On Wednesday | 25th January, 2023

OUR THEME THIS YEAR

reboot

reload

restart

Itechnothon'23 presented by the Department of B.Sc. I.T wanted the theme this year to embody the Sophia College theme for 2023, "Recover Discover Empower".

To symbolize the presence and comeback of ITECHNOTHON in the academic year 2022-23, after a hiatus of 2 years due to the unfortunate pandemic, we bring to you our theme for this year...

"Reboot. Reload. Restart"

REBOOT signifies the unintentional thrust to shut down by the lockdown and us booting it away by powering through. It represents us giving ourselves a chance to start again.

RELOAD signifies us redefining ourselves with new beginnings and overcoming drawbacks.

Reloading all the beautiful things of the past, all the lessons and victories, we bring all of it to all our future endeavours.

RESTART signifies letting go of all our inhibitions and coming back stronger than ever. To restart and rebuild ourselves for the world to see.

So come along and join us on a journey where you can REBOOT.RELOAD.RESTART yourselves!!

SOPHIA COLLEGE (AUTONOMOUS)
