**A brief report of the event:**

The NSS Unit of Sophia College organized the अमृत कलश Filing event in the Central Lawn. Dr. Anagha Tendulkar Patil, Principal of Sophia College inaugurated this event by being the first one to fill the अमृत कलश followed by NSS PO Dr Vaishlai Pachunde. It was a resounding success, aimed at fostering a sense of pride and patriotism among the students towards their nation. "desh ki mitti" ("the Nation's soil") is a powerful symbol that encapsulates the connection between people and their homeland, their cultural identity, and their responsibility to protect and nurture the land for future generations. It serves as a reminder of the deep and enduring ties individuals have to their nation and its soil. The event aimed to celebrate the rich, cultural heritage and the spirit of unity that defines our great nation. Many NSS Volunteers and non-NSS students including the staff enthusiastically participated in the event. Overall the event was a great success. It was well organized. It was very good initiative to promote unity in diversity
