With the support of the Railway staff, a total of 11 volunteers on the station worked towards cleanliness at various spots of the Grant road station. The aim was to ensure that the station is clean, hygienic and well-maintained for the rest of the day and also reduce the workload of the staff for one day, which the volunteers succeeded in via thorough hard work and dedication. The volunteers worked alongside the station superintendent Mr. Suhas Waghe and the station's operations officer as well as the other staff, who provided them with important material including gloves and brooms for the drive.
