**A brief report of the event:**

On 29th September 2023 “Change is Us” foundation organized a post Visarjan beach cleanup drive where 31 NSS volunteers of the NSS Unit of Sophia College participated. Volunteers reached Girgaum Chowpatty at 3:00 pm and were briefed by Tanmay Jhaveri from the “Change is us” foundation regarding the duties, were divided into 3 groups to cover different areas of the beach and also received hand gloves. The beach was rumpled because of the Ganpati Visarjan celebration. The NSS unit of Sophia College displayed an extraordinary commitment through their dedication to clean the beach. Volunteers from various colleges across Mumbai, independent clubs and NGOs were also present to contribute towards this great cause. Everyone collectively did a commendable job by picking up plastics, broken parts of immersed Ganpati idol, decorative materials and other garbage present. After the hard work everyone received tasty and fulfilling refreshments. The entire event came to an end with group photographs. The event was very satisfying as the clean beach was the reflection of their hard work.

**Beneficiary’s response:**

Everyone’s collective efforts not only contributed to a cleaner and safer beach environment but also served as a shining example of what can be achieved through teamwork and a shared commitment to a noble cause.
