

Event Report: Pulse Polio Immunization Camp

Pulse Polio Immunization Camp

Type of Hours: Area

Date: 8 December 2024

Venue: BMC 'D' Ward, Mumbai

Time: 8 AM-5PM

Number of Volunteers Attended: 26 Volunteers

Number of Beneficiaries: 1312 Children

Brief Report of the Event:

The Pulse Polio Immunization Camp was organized by BMC 'D' Ward in collaboration with Sophia College for Women. Under the guidance of NSS Programme Officer, Dr. Vaishali Pachunde, 26 volunteers actively participated in the immunization drive. The volunteers played a key role in assisting with logistics, guiding families, and ensuring that the immunization process ran smoothly. Their commitment and coordination contributed to successfully immunizing 1312 children against polio. The event was conducted with efficiency, reflecting the dedication of both the organizers and the volunteers toward public health.

Pre-Event Training Session:

A day before the Pulse Polio Immunization Camp, the volunteers attended a training session from 2:30 PM to 3:30 PM. The session was designed to equip them with essential knowledge about the immunization process, handling logistics, and assisting families effectively. This preparation ensured the volunteers were well-informed and confident, enabling them to contribute efficiently to the success of the campaign.

Beneficiaries' Response:

The families of the children expressed gratitude for the camp's efficient organization and the volunteers' dedication. Many parents appreciated the accessibility of the service and the supportive environment created, which ensured their children received the crucial vaccine for a healthier future.

Subject: Appreciation for Participation in Pulse Polio Camp

Respected Madam,

We would like to extend our heartfelt gratitude to you and the 26 volunteers from Sophia College for women for your invaluable participation in the Pulse Polio Camp organized by BMC 'D' Ward . Under the guidance of NSS Programme Officer, Dr. Vaishali Pachunde, your dedicated team contributed significantly to the success of the event, during which 1312 children were successfully immunized against polio.

Your institution's commitment to public health and community service exemplifies the spirit of collaboration that is essential for eradicating polio. The selfless efforts of your volunteers have made a tangible difference, ensuring a healthier future for our community.

We sincerely appreciate your continued support and look forward to future collaborations in promoting public health initiatives.

Thank you once again for your invaluable contribution.

Yours sincerely,

Medical Officer  
BMC 'D' Ward
