YAKSHA-YAKSHI : THE AESTHETICS COMPARATIVE STUDY
IN LITERATURE AND SCULPTURE
(WITH SPECIAL REFERENCE TO YAKSHI ART OF SANGHOL)

Ph.D. Thesis by MISS SUMANIKA MEHRA
Submitted to Guru Nanak Dev University, Amritsar

CITATION

Miss Sumanika has put in a comparative study of Yaksha-Yakshi in the context of literature and sculpture in a very systematic and organised way before the Hindi readership for the first time. Her research-work speaks of her labour-input, perseverance and fortitude. She possesses a modern methodology and sound expression....

This work should be published in the present form since it is not only an outstanding contribution in the field of literature, but would also prove to be a very useful study in social sciences and art.
