* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this score card.

General Information

The GATE 2023 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q)\frac{(M - M_q)}{(M_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2023 scorecard

M_q is the qualifying marks for general category candidate in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to M_t

In the GATE 2023 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2023 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Dear Ms Hazarika,

I am pleased to inform you that your application to King's College London has been successful and we would like to make you an unconditional offer for the below programme:

Public Policy MA (Full-time)

Start Date: **23 September 2024**
Programme Length: **1 year**
Mode of Attendance: **full-time**

Please read any and all additional documentation or webpage links on 'Your Offer' screen of King's Apply alongside this offer letter.

Enrolment and Induction

Induction and enrolment usually take place up to two weeks before the start of your programme. This may include teaching for the programme.

Fee Status and Tuition Fees

Based on the UK Government regulations and the information you provided, you have been classified as an **Overseas** fee payer. Information about fee status classification can be found here: https://www.kcl.ac.uk/study/postgraduate-taught/how-to-apply/policies-and-guidance.

This programme's tuition fees for the 2024/25 academic year are **£33258**.

Our assessment of your fee status is provisional and is subject to verification of your documents at enrolment. Please be aware that if our initial assessment of your fee status based on the information provided in your application was inaccurate, we reserve the right to reassess your fee status at enrolment.

If you are studying your course outside of the UK and the provision of your course by King's is subject to Sales Tax in your country of residence, then we reserve the right to pass on any Sales Tax to You. In the event there is a change in the rate of sales tax, we reserve the right to pass on any such change in sales tax to you. We will notify you if you are liable for sales tax, including the amount of the sales tax due. For more information, please visit our Finance and Planning Directorate's webpage on Goods and Services Tax: https://www.kcl.ac.uk/student-fees/tuition/goods-and-sales-tax.

If you believe your fee status is incorrect or want more information about tuition fee payment
If you believe that your classification for fee purposes is incorrect, please contact us without delay by sending a message on the King's Apply with the full details of your circumstances; do not wait until accepting your offer. Please refer to UKCISA's guidance (https://www.ukcisa.org.uk/Information--Advice/Fees-and-Money/England-HE-fee-status) for help on

understanding the fee status categories for higher education in England.

How you will be invoiced for your tuition fees and how to make payment

Once you have registered on your programme at King's, you will be invoiced for the 2024/25 academic year. Your invoice will show the full programme fee with your deposit being reflected in the balance on your Student Fee Statement found in your Student Records Portal (mykcl.kcl.ac.uk). Information about the payment of tuition fees, such as the tuition fee payment schedule and recognised payment methods, can be found on Credit Control's Student Fees Hub (https://www.kcl.ac.uk/student-fees). Please note that we don't offer the option to make a tuition fee payment in pound sterling (GBP) with a non-UK issued card as these transactions are expensive to process.

Accept Your Offer

The deadline to accept your offer is 24/07/2024. You will need to do this on King's Apply.

As we receive applications from a large number of highly qualified students, we ask offer holders to pay a deposit when confirming that they wish to accept their offer. This is to ensure that King's can allocate the limited places to students who demonstrate their intention to study at King's.

The deposit amount is: **£2000.00.**

Please note that your deposit will be deducted from your tuition fees upon enrolling. To pay your deposit, click on the 'Pay Now' button on 'Your Offer' screen of King's Apply. Not paying your deposit by the stated acceptance deadline will be taken as an indication that you no longer wish to take up your offer at King's.

If you experience problems making the payment on King's Apply, details about other payment methods can be found on Credit Control's webpage: https://www.kcl.ac.uk/student-fees-how-to-pay-my-fees and select the 'Tuition Fee Deposit' option if available. You should contact us on King's Apply using the "Deposit Query" message category after making a payment by another recognised method; please submit supporting evidence that the payment was made by your acceptance deadline.

If you are receiving a full scholarship

If you are actively being considered for a full scholarship or have already obtained a full scholarship to study at King's (your tuition fees will be covered in full by an organisation such as your employer), please read the "Offer Holder Information" webpage link on 'Your Offer' screen of King's Apply for further details on how to accept your offer. If you require details of how official sponsors are invoiced, please see the following Credit Control webpage: https://www.kcl.ac.uk/student-fees/tuition/sponsored-students.

What happens to your deposit if you do not enrol at King's

We will only be able to refund a tuition fee deposit in the following circumstances:

1. **Cooling-off period:** Under the regulations governing distance selling contracts, you have **14 days** from the date that King's receives your deposit to change your mind. If, within this 14 day cooling-off period, you notify us of your wish to cancel your acceptance, we will decline your offer on your behalf and organise a refund of your deposit. If you wish to cancel your acceptance after this 14 day period has passed, please inform us before the start of your programme and before you begin online enrolment. Please send us a message on King's Apply using the "Decision - Withdrawal" message category if you wish to cancel the acceptance of your offer. We will decline your place on your behalf but the deposit will be non-refundable, except as outlined below. Further details on cancellation can be found in the 'After a Decision' section and 'Cancellation Rights' heading here: https://www.kcl.ac.uk/study/postgraduate-taught/how-to-apply/important-information-for-applying.

2. **Failure to Obtain a Student Visa:** We always aim to provide eligible students with a CAS number in sufficient time for a visa application to be approved before the enrolment period closes. If you find that you cannot secure a Student Visa, we may be able to refund your deposit depending on the circumstances. We expect all students to make suitable arrangements to ensure they leave enough time between submitting their visa application and commencing their programme. If you request an extension to the deadline to meet your offer conditions and this is granted, this will impact the time that you have to make a visa application. Consequently, refunds will only be granted where students have proactively attempted to obtain their Student Visa and that failure to obtain a Student Visa was through no fault of their own. Please send us a message on King's Apply using the "Decision - Withdrawal" message category if you wish to cancel the acceptance of your offer.

3. **Failure to Meet Offer Conditions:** Please send us a message on King's Apply using the "Meeting Conditions of Offer/Confirmation" message category if you do not meet the conditions of your offer and ensure you provide official evidence as attachments.
   - If you do not meet the academic requirements of your offer and we are unable to confirm your place on the programme, we will refund your deposit if this evidence is received by the same deadline for meeting conditions of your offer as specified above in this offer letter.

- If you do not meet the English language requirements, you must demonstrate that you have proactively attempted to meet them after the point you paid the deposit. We will therefore refund your deposit if you provide evidence that you took an accepted English Language test and not met the requirements **within the three months prior** to the start month of your programme (e.g. from 1 June for a programme starting in September; or from 1 October for a programme starting in January). This must be received by the same deadline for meeting conditions of your offer as specified above in this offer letter.
- If you fail to provide us with evidence of meeting/not meeting the conditions of your offer, you will not be eligible for a deposit refund.

4. **Programme Withdrawal:** If the programme you were planning to enrol on is withdrawn by King's and you do not transfer to another programme offered to you by King's.

You are strongly advised to make sure that you will have sufficient funds in place to finance your programme at King's before accepting the offer, as deposits will not be refunded on grounds of financial difficulty. Decisions on refunding the deposit where there are exceptional, unforeseen circumstances will be made by the university at its discretion. This may include serious ill-health or bereavement subject to the provision of appropriate evidence.

Deferring Your Application

Please be aware that after careful consideration, we have taken the decision not to allow any deferrals on our postgraduate taught programmes from 2024/25 to future academic years. We have adopted this approach as it is the fairest way to ensure that the cohort of applicants for 2025/26 have an equal opportunity to gain a place at King's. You are therefore strongly advised to only accept an offer if you do not intend to defer at a later date as your deposit is non-refundable. If you are looking to defer, you will need to decline on King's Apply. If you have already accepted your offer and no longer intend to join King's, please send a message to us on King's Apply using the "Deferral Request" message category and advise that you wish to decline your offer and we will do this on your behalf.

Student Visa

If you need a Student Visa to join King's this academic year, where eligible, we will issue you with a Confirmation of Acceptance for Studies (CAS) number so that you may apply for your Student Visa **no earlier than six months before** the start of your programme, and only after your offer is unconditional and this has been accepted. You will be notified to check King's Apply once the CAS is available. Your CAS will be issued with your name as it appears on King's Apply; please make sure this matches your passport and your account contains your current passport's details.

Tell us you need a Student Visa by updating your Visa information in the "Application Overview" screen on King's Apply. You can follow the online guide to determine whether you need a visa: https://rise.articulate.com/share/p_N3rNPKJz147dD0i_sUKvOZXkWq6Vi4ff/.

This offer does not guarantee your eligibility for a CAS or a Student Visa and it is your responsibility to ensure that you fulfil the criteria. Useful information regarding eligibility can be found on UKCISA's webpage: www.ukcisa.org.uk/Information--Advice/Visas-and-Immigration/Student-route-eligibility-and-requirements. **You should not travel to the UK until you have received a valid Student Visa for this programme.**

The communication for and issuing of your CAS will come from our Visa Compliance team via King's Apply. It is important that you provide all of the relevant information as requested to enable this process. If you have any queries or need to update your information, send a message using the "Visa Query (including CAS)" message category. If you are currently studying or have previously studied in the UK and haven't disclosed this in your application, you must inform us of this as soon as possible and provide scans of any previous visas related to this study.

Please read the "Offer Holder Information" webpage link for further information regarding the Student Visa process.

Criminal Record Disclosure

King's does not consider any previous criminal convictions or cautions during the academic assessment of your application. Where an enhanced Disclosure and Barring Service (DBS) check is not required to complete a programme of study, you are not obliged to inform the university of your criminal record. You are encouraged however to disclose your criminal record if you are subject to any licence conditions or monitoring restrictions that could affect your ability to successfully complete your studies. If you would like to discuss your criminal record for advice and guidance, you should send us a message via King's Apply in the first instance.

More information regarding the university's Criminal Record disclosure policy can be found here: https://www.kcl.ac.uk/policyhub/criminal-record-disclosure-policy.

Overall Band Score

Overall	7.5	Good User

Test	Score	Your result explained

The test taker has operational command of the language, though with occasional inaccuracies, inappropriate usage and misunderstandings in some situations. They generally handle complex language well and understand detailed reasoning.

Listening 8.5

Test takers at Band 8.5 can typically follow extended speech involving complex and detailed argumentation. They can identify and process language and grammar automatically, and so are able to concentrate on the development of the overall meaning of what is said by a speaker or speakers. They can understand a wide range of vocabulary, including idiomatic language and fixed phrases or unusual collocations, as well as technical and academic language.

Advice to improve your score
Listen to discussion programmes, especially those on abstract topics you're less familiar with, without pausing or repeating the recording. Try to predict how the conversation might develop, then see if you're correct. Make it a point to notice how the speakers express and qualify their opinions, noting ways they say things that make their arguments particularly effective. Where speakers have different points of view, notice how they respond to one another's comments. Use strategies to infer ideas and meanings that are not directly stated. Afterwards, try to reconstruct the discussion to yourself, to check how much you have understood.

Reading 7.0

Test takers at Band 7 can typically deal with a variety of factual and opinion-based texts that may be complex and dense with information. They are very good at using their wide vocabulary knowledge to create meaning, both within and across sentences, on a range of general and specialised topics. They can follow an argument and distinguish between main ideas and supporting details, and are good at understanding attitude, opinion and implication. They are able to do this by using reading strategies such as skimming and scanning, and by synthesizing information and drawing inferences.

At this level, it is important to broaden the range of texts you read further. Continue to develop your awareness of how to read different types of texts differently. What features does that particular type of text typically have? How is information structured and arranged in such texts? Will it require making inferences? Will there be a summary somewhere? Use your knowledge of these and approach the reading task in an appropriate way. Where you want to know the overall argument or specific arguments, try to do this as efficiently as possible. As an exercise, try to find several opinion-based texts on the internet, and then determine the similarities and differences in their opinions and views.

Speaking 7.5

Test takers at this band can typically speak with ease, clearly and at length, although with some repetition, self-correction, or hesitation to search for words or grammar. Speaking is generally well-organised, and ideas are generally clear and well linked. They use a range of vocabulary to discuss a variety of topics, and can use some less common or idiomatic vocabulary, although not always accurately. They can paraphrase well if needed. They can use a range of grammar structures. Sentences are frequently accurate, although there are some errors. Pronunciation is generally natural and clear, but with occasional problems. They are usually easy to understand, and their accent does not have much effect on understanding.

Talk to other people about abstract and difficult current issues. Focus on delivering your ideas well in presentations and discussions, minimising hesitation as much as possible. Ask yourself: Am I arranging and conveying my thoughts in the best possible way? Am I using the best possible words and phrases that I know to express my ideas? How can I vary my delivery so that my ideas are understood better? Then work on those things you're not completely happy with yet. Continue reading and listening to natural English language materials and TV to note precise words and particularly effective ways of saying things. Think about how you might use these yourself.
