Name of the event: **Dengue Malaria Awareness Project- Poster making and T-shirt donation**

Type of hours: Area hours

Date: **22nd July, 2022**

Venue: NSS Office, Sophia College

Time: 9:40 am - 1:35 pm

Number of volunteers: 58

Number of beneficiaries: 345

A brief report of the event:

To raise awareness of dengue malaria, the NSS Unit of Sophia College organized a poster-making competition and T-shirt donation, and a handmade T-shirt printing drive. Volunteers were asked to make creative posters containing information regarding nature, causes, and precautions against dengue malaria. We accepted both handmade and digital posters to ensure that everyone stands a chance to participate. They were then asked to walk around in crowded places to make sure that the message reached the masses. The volunteers were given a week to preparation of the handmade T-shirt printing to disseminate information about dengue malaria. These T-shirts were then distributed to the people of the Banganga slum and the smile that the volunteers received in return was all that was needed as an appreciation for their effort.
