TYBA students visited the Mahalaxmi SARAS Exhibition at MMRD grounds at BKC. This event is organized by NABARD to promote Self Help Groups. It is a purposeful platform at the State Level, creating financially uplifting opportunities for SHGs to showcase and sell handicrafts by Government of Maharashtra. The event was helpful for TYBA students who have a paper on Agrarian and Informal Sector. The SARAS exhibition helped the students to understand the applicability and relevance of the these sectors.

2019-2020

The Single Major students attended the Certificate Programme for Commerce and Arts (CPCA) at KC College. The programme which went on from 3Pm to 6PM at KC College saw the presentations by students of KC college. It was a great platform for the research students to learn more about conducting and presenting research. The students presenting for the CPCA were selected from their batch to learn more about research and to hone their skills as budding researchers. The amalgamation of their research journey came to a conclusion at the CPCA Presentation. Attending this event, helped the Single Major research to understand the various steps of research and their presentation skills.

Students were given a tour of the Sophia Library and given a tutorial about research and library work with the help of the librarian Prabha Ma'am. This helped the students to understand the various steps and methods of finding research sources from the library and the various platforms which are useful in finding the relevant literature for the same.
