## Programme Preamble

**The Bachelor of Arts in Strategic Communication and Journalism programme blends theory with practice to prepare an individual for a dynamic career in the ever-evolving media landscape. Over three years, our curriculum emphasizes hands-on learning, interactive courses, and real-world experiences to hone your skills as a strategic communicator and/or a journalist. From multimedia storytelling to public relations strategies, you'll engage in immersive learning experiences that bridge theory and application. Our faculty, composed of industry experts and experienced academics, will guide you through a journey of exploration and discovery, fostering creativity and critical thinking along the way. We welcome students to embark on this exciting journey together, shaping the future of communication and journalism through collaboration, innovation, and hands-on learning.**

## PROGRAMME OBJECTIVES

|     |  |
|-----|--|
| PO1 | To give learners in the programme a clear introduction to mass media as an all-encompassing ideological and communication experience globally  |
| PO2 | To enable learners in the programme to understand the political, economic, social, cultural and environmental implications of consuming media messages   |
| PO3 | To provide learners of the programme the opportunities to acquire the necessary skills to produce forms of media messages and content from strategic communication (including advertising, branding, public relations, media planning, and digital marketing) to journalism across different platforms |
| PO4 | To train learners in the programme through contemporary theory and practical application, in their role as future creators of media messages in a constantly evolving and demanding industry   |
| PO5 | To teach learners in the programme the need for the ethical application of the ideas taught in the programme to become responsible consumers and producers of media content  |

## PROGRAMME SPECIFIC OUTCOMES

At the end of the programme, the learner will

|      |  |
|------|--|
| PSO1 | Examine mass media as an all-encompassing ideological and communication experience globally  |
| PSO2 | Discuss and investigate the political, economic, social, cultural and environmental implications of consuming media messages   |
