3. Special pedagogical tools used, other than the lecture method

Think _Pair_ and Share (TPS) Method - was used to cover the new trade theories.

This strategy involves three steps:

1. Individual silent reflection on the provided resource.
2. Partnering up to discuss and clarify understanding.
3. Sharing the key points with the whole class.

TPS encourages individual processing, then collaboration for deeper comprehension, and finally builds confidence in public speaking.
