

DEPARTMENT OF POLITICAL SCIENCE

PROGRAMME OBJECTIVES

The **Political Science** program at the undergraduate level is designed:

PO 1 To provide students with an understanding of political processes, governance structures, and the broader socio-economic and cultural contexts that shape political dynamics.

PO 2 The program aims to equip students with critical thinking skills, a deep understanding of political ideologies, and the ability to analyze political events and trends.

PO 3 Apply interdisciplinary knowledge to address complex political and social issues.

PROGRAMME OUTCOMES

By the end of the undergraduate Political Science program, students are expected to:

PSO 1 Not only possess a solid grounding in political science concepts and methodologies

PSO 2 But also to develop an appreciation for the role of politics in shaping societies and influencing global trends.

PSO 3 They will be prepared for further academic pursuits or careers in public administration, law, international relations, journalism, policy analysis, and more.
